

Project Manager - South East England

As we expand our position as a leading provider of Care and Assisted Living schemes we are seeking project managers living in the Southern Home Counties (particularly Kent and Sussex).

You will have the ability to lead a project from inception to handover with particular emphasis on managing design and designers and ensuring that we deliver to meet our clients' aspirations.

Projects are design and build in the range from £1m to £10m.

Experience of delivering Care or Residential projects will be an advantage.

To upload a copy of your CV please click on the apply button on the vacancies page of our People website.
