

# Brewery Wharf Wins a RIBA White Rose Award

We are delighted to announce that our Brewery Wharf project in Leeds has been awarded a Bronze at the RIBA White Rose Awards.

The £17.3 million One Brewery Wharf in Leeds, which takes its name from the world famous Tetley Brewery that stands opposite, provides 151 apartments over 12 floors above four ground floor offices and 89 basement car parking spaces for Rushbond.

Dedicated project staff led by John Currie have delivered a landmark in one of Leeds' most impressive developments, well done to everyone involved.
