

CIOB 'Construction Manager of the Year' Awards 2009

Following our recent announcement that Steve Watson and Lloyd Hardy had reached the next stage in the selection of Construction Manager of the Year, we are delighted to announce that Andy Tolfree has also reached the next stage following his nomination by Sunrise Senior Living for his project at Sonning.

This is a great achievement that all 3 project managers who were nominated have now reached the next stage of the selection process. Well done to Andy, Steve and Lloyd.
