

GB Shortlisted at Construction News Quality Awards

We are delighted to announce that we have been shortlisted as a finalist at this years Construction News Quality Awards in the category of Health and Safety Initiatives.

Our entry detailed our WIPE campaign and Delivery Model.

Interviews are to be held late April with the winners announced at an awards ceremony on 24th June in London.

Other shortlisted companies in our category are

- Alumet Systems
- Brown & Mason
- Midas Group
- United House
- Warings Contractors

A further announcement will be made following the awards ceremony in June.
