

# HIF Team Give Back To The Community

A 'Good Side of Moss Side' Community Day was held recently and staff from HIF contributed to the day by supplying the bouncy castle and ball pool, providing the announcements; music and fun throughout the day. GB also put on free tea and coffee for the residents and juice for the kids.

Also following on from the fundraising events held last year for Wheels For All GB has now donated a steel container to the charity as they had no room for the new bikes and accessories that had been purchased with the funds raised!

*"Please accept my thanks and those of everyone involved in the Wheels - it is still growing daily, and we have now ordered yet our last cycle from your kind fundraising. At some stage, I would love to come back to tell the team what is happening now (hopefully) across the City and we could not have achieved this without your assistance"*

Shirley McCardell  
Zest Hub Co-ordinator

**The Good Side of Moss Side**  
*(Know your neighbours day)*

**Saturday 4<sup>th</sup> July**  
**12.30pm – 4.30pm**
