

# Oasis Academy Official Opening

We are delighted to announce that we have handed over all phases of Oasis Academy and a grand opening was held last week.

- The new Academy was handed over on programme on the 22.12.08
- The over all period of the project, Phases I, II & III was 104 weeks
- Phase II & III, the asbestos strip and demolition of the old school and then the construction of the M.U.G.A, multi use games area, hard and soft landscaping and playing fields were handed over one week early.
- The Official Grand Opening was held on 10.7.09 and was officiated by Steve Chalke, Oasis CEO

The Official Grand Opening included Guest Speaker Penny Mallory, the first woman in the world to qualify to drive a World Rally Car, journalist & TV presenter. Billed as the fastest female rally driver.

All were said to be delighted with the new building / facilities and hoped it would inspire the pupils to achieve their full potential.
