

## Considerate Constructors Scheme

*“ Throughout the site there was clear commitment to the detail of considerate site practice and the result was an excellent ambassador for the scheme and the construction industry ”*

*“ The site presents a very good image of construction to the general public, which is complimented by the contractors quality systems and efforts of all the site team ”*

### 2011 Awards

- 2 Gold
- 2 Silver
- 3 Bronze

*“ The site clearly understands that considerate construction is a process and attitude that needs to be constantly in mind. The site clearly takes great pleasure in delivering a “no hitch service” even in these relatively demanding circumstances ”*

*“ I was impressed by your teamwork and enthusiasm in applying the scheme to its fullest extent. You operate a very progressive site and are backed up by a responsible HQ ”*
